Hall High Baseball Would Like to Thank

CRAIG ROSENBERG

**For All His Time Dedication
& Memorable Photos**

Hello Titan Nation,

Every Spring brings a renewed level of excitement as we prepare for a new Baseball season. After saying goodbye to a very large senior class of thirteen players last year, we usher in the 2023 class of seniors with three members. All of our seniors are serving as captains this year. We are so fortunate to have such strong leadership in this graduating class. Their mark has already been made upon the program and I am excited to see how far they can lead us.

There will be several new faces on the Varsity squad this year. We will be young and very talented. There is competition for roles and playing time all over the diamond and I am anticipating meaningful contributions from the entire roster.

With the recent success the program has experienced, we will look to continue our winning ways. This will indeed be a challenge. This year we will once again be playing one of the toughest schedules in the state. I am confident that we will be able to meet this challenge head on and compete against the best.

The leadership qualities that I see in so many of our players are a testament to the families that make up our program. I want to thank all the parents for raising such fine young men. From the Freshmen to the Seniors, we have great players, but more importantly, we have players with great character attributes. It is just as important to be proud of what we do off the field as what we do on it.

I would also like to take the opportunity to thank our booster club, The Friends of Hall Baseball. The work that goes on behind the scenes is what makes the final product on the field possible. The parents that make up the FOHB have worked hard to make sure we have everything we need to continue building one of the best Baseball programs in the State of Connecticut.

Go Titans!

Coach Marsh
